Teachers' Report for PAC Meeting on October 27, 2020

Submitted by Giovanna Bombino

We have passed the ½ way mark for Quarter 1 and it is even more crucial now that students keep up with their assignments and online classes.

You should all have seen the midterms that were posted in My EdBC on October 15th.

I would normally have a list of events and activities to share (both completed and upcoming), but this year the focus is on delivering content in a 10 week period. It has been quieter on the extra-curricular front.

However, Student Council has just decorated the main foyer to kick off Spirit Week in hopes of uniting everyone and celebrate Halloween. Despite the absence of the traditional school dance, all are invited to come in costume on Friday, and there will be a costume contest with prizes (i.e., \$25 Visa Gift card / \$15 Starbucks card, etc.) They plan is to have a photo booth set up in the Auditorium, with safe distance measures in place. (i.e., Students will enter from one side of the auditorium and exit the opposite side.)

1) **The "ALL STUDENTS" Team / 2 Channels (General & Library)**

We have been communicating events, activities and important info. to students through this or their Grade Team. When information is pertinent to a specific grade information will be posted there. Please ask your child(ren) to check periodically.

- **General Channel** has a few postings about the Student Council Elections, Athletics, Clubs, etc.)
- **Library Channel**

I have posted details about resources and remote access to databases. For instance, there was an issue with remote password for Ebsco and the Newspapers online so temporary logins were required. I will update the information as required.

2) **Student Council Elections** took place virtually, a few weeks ago. 2020-21 Student Council:

- Tracy Huang – President
- Amelia Li – Treasurer
- Isabell Russell – Secretary
- Grade 11 Reps: Ammar Majuere & Danny Yu

Grade 8 Elections: No one submitted their nomination forms in the first round.

Ms. Nanda will be announcing it once again. Information soon to be posted in the General Channel.

3) **CLUBS LIST** – updated and posted on Website as well as sent out to all students in TEAMS

(All Students' Team) Many clubs are not running due to the restrictions – it's a matter of keeping the student cohorts separate.

Athletics Program – The Vancouver School District has approved move to Phase 2 of COVID-19 Restrictions – meaning that some school activities may resume. Mr. Braun and Mr. Malli will be posting updates on TSS website and on the Athletics' postings, regarding what kinds of activities Templeton will be offering, along with the health & safety guidelines associated with those activities, in the ALL STUDENTS' TEAM and on the **Athletics Page** on the Templeton website.

4) **GRADE 7 PARENT NIGHT FOR STEM** – This Thursday, October 29th / 7 p.m.

<https://templetonstem.org/2020-info-night>

5) **GO-CARDS** (aka Student Cards, aka Library Cards) Students are asked to see Anita in the school office to pick up their cards – this week. Notice was posted on ALL STUDENT TEAMS yesterday

Dear Jim Lowe,

Thank you for your application for a Community Gaming Grant. The support that you are providing to students in British Columbia is highly valued and appreciated.

I am pleased to inform you that the Community Gaming Grants Branch has reviewed and approved your organization's PAC/DPAC grant application for the amount of \$ 17,300.00. This grant will be deposited directly into your gaming account within the next few days.

Please note that all recipients of Community Gaming Grants are required to adhere to the terms and conditions of the program. Detailed program information, including the complete list of conditions for this grant, can be found at: <https://www2.gov.bc.ca/gov/content/sports-culture/gambling-fundraising/gaming-grants/community-gaming-grants>. Please note that grant funding is intended to benefit students by enhancing their extra-curricular opportunities. Grant funds remain under the management and control of the PAC/DPAC that receives them. Funds may not be used for, or transferred to, curricular purposes or to schools or school districts, or any of their activities or programs.

As you can appreciate, it is very important that we are able to demonstrate that public funds are being used appropriately and for the purpose they were intended. Because of this, all recipients of Community Gaming Grants are required to report on the use of gaming funds using the Gaming Account Summary Report (GASR). The report must be submitted to the Community Gaming Grants Branch within 90 days of the organization's fiscal year end, showing how these
